### Commitment, Courage, Capability, Confidence

**Breakthrough** 

Focusing just on 10x Program — freeing up 100 days

### 4 Confidence

Have created a new 25-year game plan for developing & expanding The 10x Program w/ 10x growth of company valuation & market reputation.

### Commitment

After starting the 10x Program in 2011, made decision on July 31, 2013 to focus entirely on growing this new program — putting the Strategic Coach Program with 2,000+ clients entirely in the hands of Cathy Davis & her teams.

### 3 Capability

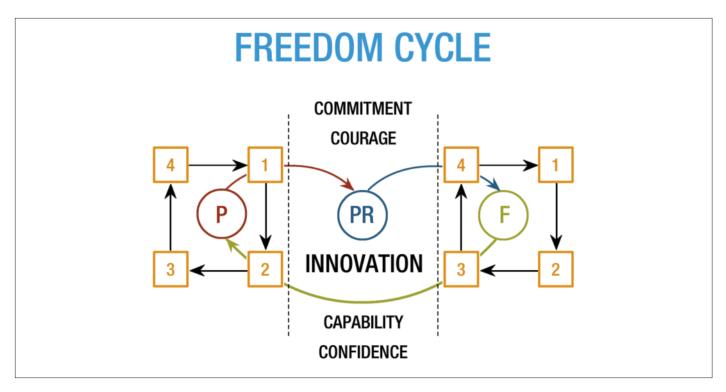

Freed up 100 workdays for creative & marketing activities focused entirely on The 10x Program. The result: Huge jump in new 10x concepts & tools, & in 10x registrations.

### 2 Courage

Walked away from 250 existing clients who did not want to join 10x — trusting that they would go w/ associate coaches. This generated negative comments from long-term clients who had been in my workshops for 10 years or more.
